RE: Bisphenol A

Dear Julie,

In response to your recent request on Bisphenol A, we would like to inform you that the Formosa Formolene HB 5502B does not contain any Bisphenol A.

This information was provided to us by the Formosa PE Marketing group manager (Mr. Keith Hunt) who is located at the Texas Manufacturing facility on the 9th of August 2005.

Hoping the above satisfactory.

Should you require assistance or have any questions or concerns in the meantime, please do not hesitate to contact me directly at the CCC Ltd. Montreal office at 514-333-2326.

I remain,
Yours very truly,
